**C** **F**  
you think you ve got something over  
**C** **G**  
some kinda thing over me  
**C** **F**  
well there s gonna come a time when i can leave it all behind  
**G** **C**  
if you d open up your eyes you d see

**F**  
that doing all the stupid,  
**C** **G**  
the stupid things that you do  
**C** **F**  
means there s gonna come a day when you re gonna fade away  
**G** **C**  
and it s gonna come around on you

**F** **G**  
you ll be crying slowly dying  
**C** **Am**  
when the day comes creeping up on you  
**F** **G**  
there will be a day when you won t believe it s true

**C F G**  
it s gonna come around on you
