Verse:

G D# A# D

Always walking in to trees

G D# A# B

Wakes me up to ask if I m asleep

Sits around stares in to space

Oh God I hate her face cause she s a dingbat

Her dumbness really bothers me

Brainless questions constantly

I wish shut her mouth, give me a break

Oh God I hate her face

the mainriff PM a couple of times. then continue with the verse.

She lives alone in her own world

Naive wide-eyed little girl

Dosen t care that the world s a mess

She s such a waste of flesh, a waste of flesh
