Intro: **C#, G#, C#, G#, F#, C#, G#, C#, G#**

Verse:

```
C#                              G#  C#  G# F#              C#  G#  C#  G#
It coulda happened to anyone, but it happened to me
I fell in love with a west coast girl, an amazon in ripped jeans
Looking out at Lake Michigan, wishing that I was there
She s hangin  ten out in Hollywood, 2000 miles away
```

PreChorus:

```
B                                    F#                C#
                        G#
There s no doubt that you re just about the prettiest girl I have seen
You look so good hangin by the pool you re the only one for me
```

CHORUS:

```
C#              B      F#
Surf goddess, i m in love with you (repeatx3)
```

solo(which i don t know yet)

play verse chords under solo

Verse2:
I can t make all of the clubs with you, i can t make all your shows
I gotta scrape the ice off the van, i gotta shovel the snow
But if you stop by the montrose beach next time you re in Illonois
I swear i wouldn t tell anyone just don t walk away from your boy

repeat PreChorus

CHORUS x2
