or play as power chords, whatever floats your boat. I can't tell what he plays exactly.

[Intro]

G B B/C# (x2)

[Verse 1]

G B B/C#

You probably won't hear this any time soon

G B B/C#

But I still feel like I need you

[Chorus]

G B B/C#

I sing myself to sleep every night with the song that I wrote you

G B B/C#

I sing myself to sleep every night with the song that I wrote you

[Verse 2]

G B B/C#

You left like it was nothing

G B B/C#

You see my hurt so bad

G B B/C#

I still cannot comprehend

G B B/C#

These feelings that I have

[Chorus]

G B B/C#

I sing myself to sleep every night with the song that I wrote you

G B B/C#

I sing myself to sleep every night with the song that I wrote you

G B B/C#

I sing myself to sleep every night with the song that I wrote you

G B B/C#

I sing myself to sleep every night with the song that I wrote you

[Verse 3]
