Tune your guitar half step down or start with D#m. But then you cannot play the Intro.

Play powerchords in the Chorus starting from Em sliding down,
and in the Verse the Am to be able to slide up from Gm.

Em **Gm**
Try another deep descent
Cm **Gm Am**
The blackbird greets the end

Em **Gm**
Still I haven t finished yet
Cm **Gm Am G**
These six months in my head

Em **D** **C**
Be your guest inside your law
Bm **Am** **G**
I m laying down the blame

Em **D** **C**
Meaningless or meaningful
Bm **Am** **G** **Em**
Some cover of me ... of me

Em **Gm**
When I wake up near the twins
Cm **Gm Am**
I could release them from their sins
Em **Gm**
Still I haven t finished yet
Cm **Gm Am G**
The blackbird greets the end

Em **D** **C**
Be your guest inside your law
Bm **Am** **G**
I m laying down the blame
Em **D** **C**

Meaningless or meaningful
