

**My Lord And I**  
**SDA Hymns**

Mary Ann Shorey/Hubert P. Main  
SDA Hymnal (1985) Hymn #456

[Verse 1]

**C**  
I have a Friend so precious,  
    **F**                    **C**  
So very dear to me,  
**C**  
He loves me with such tender love,  
    **G**  
He loves so faithfully;  
    **G7**                    **C**  
I could not live apart from Him,  
    **C7**                    **F**  
I love to feel Him nigh,  
    **C**                                    **G**    **C**  
And so we dwell together, My Lord and I.

[Verse 2]

**C**  
Sometimes I m faint and weary,  
    **F**                    **C**  
He knows that I am weak,  
**C**  
And as He bids me lean on Him  
    **G**  
His help I gladly seek;  
    **G7**                    **C**  
He leads me in the paths of light,  
    **C7**                    **F**  
Beneath a sunny sky,  
    **C**                                    **G**    **C**  
And so we walk together, My Lord and I.

[Verse 3]

**C**  
I tell Him all my sorrows,  
    **F**                    **C**  
I tell Him all my joys,  
**C**  
I tell Him all that pleases me,

**G**

I tell Him what annoys;

**G7 C**

He tells me what I ought to do,

**C7 F**

He tells me how to try,

**C G C**

And so we talk together, My Lord and I.

[Verse 4]

**C**

He knows how I am longing

**F C**

Some weary soul to win,

**C**

And so He bids me go and speak

**G**

The loving word for Him;

**G7 C**

He bids me tell His wondrous love,

**C7 F**

And why He came to die,

**C G C**

And so we work together, My Lord and I.
