

Midnight Hour
SDIB

Capo 2

C **G**

I'd like to dedicate this song, to the Huku Lei-Lei

Am **F**

My Best Friend Y'all

(**C** **G** **Am** **F**) x2

C **G**

Remembering the time,

Am **F**

when you would make me see

C **G**

and all I ever said,

Am **F**

was why can't that be me?

C **G**

but I learned to trust in you my friend,

Am **F**

more than anything,

C **G**

and thinking back to the summers on the homestead

Am **F**

when I first heard you sing

C **G**

After the midnight hour,

Am **F**

you and I will fly together

C **G**

after the midnight hour,

Am **F**

it will be just you, it will be just me

C **G**

I need to say I love you

Am **F**

and I need to say I love you

C **G**

but I need to say I love you

Am **F**

and I need to say I love you

C **G**

but I learned to trust in you my friend,

Am **F**

more than anything,

C **G**
and thinking back to the summers on the homestead
Am **F**
when I first heard you sing

C **G**
After the midnight hour,
Am **F**
you and I will fly together
C **G**
after the midnight hour,
Am **F**
it will be just you, it will be just me

LEAD SOLO (C G Am F) x3

C **G**
After the midnight hour,
Am **F**
you and I will fly together
C **G**
after the midnight hour,
Am **F**
it will be just you, it will be just me

C **G**
I need to say I love you
Am **F**
and I need to say I love you
C **G**
I need to say I love you
Am **F**
I need to say I love you
