Capo on 1st
Riding the bikes down Elm Street
meeting just for coffee
and to sit and just speak
and to feel the
colour of your soul
right next to me, me
your beard is growing wild my dear
I love your face
rosy cheeks and pale skin
makes me feel this way
like a little girl inside
I want to hug you day and night, night
let your eyes grow big
and your heart beat full
share with me your now

sit with me and hold our
hands so so tight

A E hands up high
