Interlude

**G** **D**  
Trails lost in the snow  
**Em** **C** **G**  
Make way for winter s eerie glow  
**D**  
And that black rock in your bedroom  
**Em** **C**  
I hope you ll climb it soon  
**G** **D**  
In your boat, tied to a tree  
**Em** **C**  
I hope you ll find the sea

**D**  
Watch the branches break  
**Em** **C** **G** **D**

Wash your face in the lake
