

Lion Face Boy
Seabear

Opening song from their album We Built a Fire
Amazing band!
Capo on the Second Fret

C Am C Am
F G

C **Am**
They hate us and we hate them
C **Am**
Trying to find my way again
F **G**
Cut a hole in the night

C **Am**
You can't live in a burnt down house
C **Am**
Afraid of being found out
F **G**
Burn the hair off your face

C **Am**
Now that I watch from a smaller hole (?)
You couldn't see what you didn't know
F **G**
A lion in his name

C **Am**
Behind fake bars at the age of four
The fear in their eyes
F **G**
It's what they, what they paid for

Am **Em**
Lion face boy
Am **Em** **F**
Don't you waste your time?
G
Searching for a home

C **Am**
Sleep on the floor everyday,
F
wake at night as more frightened eyes,
G
chase away sleep.

C **Am**
Tomorrow another place

F
But the same day

G
?????

Am **Em**
Lion face boy

Am **Em** **F**
Don t you waste your time?

G
Searching for a home
