

Owl Waltz  
Seabear

Owl Waltz :

Chords: C G F Am-G

Awesome song by Seabear, hasn't been tabbed, so i thought i'd do one.

strumming: Down, down up down up.

Should be the same for each chord.

The C chord usually starts on each line just before he starts singing.

Enjoy and have fun playing :)

C G  
It's hard to wake up  
F Am G  
When you're not sleeping  
C G F Am  
It's hard to make it mean something  
G C  
when it means nothing at all

-----  
G F  
Hear her call, in vain  
Am G  
-----

C G  
I slept for a year  
F Am G  
Until I pulled your hair  
C G  
I fell down the stairs  
F Am G  
So glad, I found you there  
-----

C G  
Time to forget  
F Am G  
your mistakes and regrets  
F G F  
Sometimes I swore your mind was  
C  
worse than trap doors

G-F-Am-G-C-G-F-Am-G

-----  
C

And on long black nights

**G**

When my hope had died

**F**                    **Am**            **G**

You (were a friendly life)

-----

**C**

So I let the werewolf fowl

**G**                                    **F**

I let the lonely nights

**Am**            **G**

(Happen by)

-----

**C**

I put the down on you

**G**

Turned off my lantern

**F**                    **Am**            **G**

Then I (slept by your feet)

-----

**C**

And when you come out

**G**

or you re somewhere in town

**F**                    **Am**            **G**

All will (drown in sound)

-----

**C**

And no sleep, no light

**G**                                    **F**

No rapid type twister soared

**Am**            **G**

On the (frozen ground)

-----

**C**

Let s get a hold of now

**G**                                    **F**

So many thoughts

**Am**            **G**

(To dream about)

-----

**F**                                    **G**                                    **F**                                    **G**

Some nights I swear there was magic in the air

Repeat **C-G-F-Am-G** to the end.
