Intro: **Dm F C Gm** (x2)

Ah ah ah ah ah ah...

Verse 1:

Don t you remember
You were happier when you were younger
Things were so simple, yeah
Til the day he walked out on your mother
But now you blame yourself, because you re by yourself
You feel like it s not gonna change
You re crying on the floor cause you can take no more
(You re) looking for a way to escape

Pre-Chorus:

And all this time saying you were fine
And everyone s to blame
When there you are, you and your broken heart
It s written all over your face

Chorus:

Don t you know, don t you know that you re beautiful, yeah
Don t you know, don t you know that you re beautiful?

Verse 2:

I see you laughing

But I know inside that you re crying
Just tell me what happened, and when things went wrong
We ll try to make sense of it all

Please don t blame yourself, cause you re not by yourself
I ve been right here all along
Don t have to be alone, because you ve always known
Forever your heart is my home

Pre-Chorus:
And all this time saying you were fine
And everyone s to blame
When there you are, you and your broken heart
It s written all over your face
