E G#m
The birds have left their trees the light pours onto me...

E G#m F#
I can feel you lying there all on your own...

E
We got here in the hard way

G#m
All those words that we exchanged

E G#m F#
Is it any wonder things get dark?

C#m
Cause in my heart and in my head

E
I ll never take back the things I said

G#m F#
So high above, I feel it coming down

C#m
She said in my heart and in my head

E
Tell me why this has to end
G#m F#
Oh no, oh no

E G#m F#
I can't save us, my Atlantis, we fall
F#
We built this town on shaky ground
E G#m F#
I can't save us, my Atlantis, oh no
F# E
We built it up to put it down

E G#m
Now all the birds have fled, the hurt just leaves me scared
E G#m F#
Losing everything I've ever known...
E G#m
It's all become too much, maybe I'm not built for love
E G#m F#
If I knew that I could reach you, I would go...

C#m
It's in my heart and in my head
E
You can't take back the things you said
G#m F#
So high above, I feel it coming down
C#m
She said in my heart and in my head
E
Tell me why this has to end
G#m F#
Oh no, oh no

E G#m F#
I can't save us, my Atlantis, we fall
F#
We built this town on shaky ground
E G#m F#
I can't save us, my Atlantis, oh no
F# E
We built it up to put it down

G#m E
And we built it up, and we built it up
G#m E
And built it up to pull it down
G#m E
And we built it up, and we built it up
G#m E
And built it up to pull it down
