

**Missing
Seafret**

F#m

You try to get back how it used to be

C#m **B**

Searching for truth in the words I speak

F#m

But the message is blurred and never quite complete

C#m **B**

How you look in my eyes, I know you deserve more

F#m

Reflections in the water help to clear my mind

C#m **B**

Stretching out before me to the other side

F#m

We didn't even get a chance to say goodbye

C#m **B**

Give me something to live for, something to die for

F#m **A**

Is there something that I'm, I'm missing?

C#m **B**

Is there something I'm not, not seeing?

F#m **A**

Is it not enough just, just being?

C#m **B**

Is there something that I'm, I'm missing?

(**A C#m B**)(2x)

F#m

Well I don't know what you need when I'm so unprepared

C#m **B**

Tell me, what is a life, if it is not shared?

F#m

I keep falling asleep pretending that you're there

C#m **B**

You gave me something to live for, something to die for

F#m **A**

Is there something that I'm, I'm missing?

C#m **B**

Is there something I'm not, not seeing?

F#m **A**

Is it not enough just, just being?

C#m **B**

Is there something that I'm, I'm missing?

F#m **A** **C#m** **B**

...I'm missing

A C#m B

Ooooohh

A C#m B

Ooooohh

A

Cause I feel it

C#m B

Cause I feel it

A

Cause I feel it

C#m B

Cause I feel it

A

Cause I feel it

A

You get what you deserve, living in the dirt

C#m B

All that work and you re breaking it, breaking it

A

It only gets worse, living in the dirt

C#m B

All that work and you re breaking it, breaking it

A C#m

Down, why are you breaking me, breaking me down?

B F#m

Why are you breaking me, breaking me down?

F#m A

Is there something that I m, I m missing?

C#m B

No matter how hard I try, you re not listening

F#m A C#m

There must be something that I m, I m missing
