WHIRLPOOL -- By Sealhenri Samuel

~~~~~

INTRO

**Em D A Asus4**  
**Em D A Asus4**  
.... (waterchild)

E-groove thing (I ll call it E(g))

make a Em chord and hammer-on a G-note (6th string, third fret) with the rhythm. This is the only wierd part to the song.

**E(g)**

**E G**  
I wake out of a whirlpool  
**D**  
and welocome to another day and then I feel better

**E(g)**

**E**  
Because you came and stayed I  
**G**  
almost threw my life away  
**D E(g)**  
thinking of what might be if I knew my destiny

**A7 F#7**

wanna feel better...

**G, G# A**  
whoa oh I - If I showed I love you angel... **D Cmaj7 E** (repeat)

**Cmaj7** (X32000)

Basically that s the whole song (or all the parts at least) I dont have time to type it up well because I have to go to class. (U of Guelph)  
So If you have problems you can E-mail me because personally, I dont even understand what I just typed.
