[speaking]
People ask me what s important to me in the world,
and they ask me that alot,
and I say it s not just one thing that s important to me.
Well there are three things actually:
Wood, cheese and children.

[music starts]

G **D** **Em** **D**
Wood, cheese and children, they make you sweat so sweet
G **D** **Em** **D**
wooawooawood cheese and children, they make your life complete.

Am
when you don t know what to do,
Em **G**
you don t know where to go, you re out in the darkness,
D
In the blinding snow.

Am **Em**
Get yourself some wood, make sure it s dry
G **D** **G**
set it on fire, and you get high-on wood,

G **D** **Em** **D**
Wood, cheese and children, they make you sweat so sweet
G **D** **Em** **D**
wooawooawood cheese and children, they make your life complete.

Am **Em**
Now you ve got a fire, you re feeling fine
G **D**

unless you have a chipmunk gnawing on your spine.

Am **Em**
there s just one thing a chipmunk can t stand.
G **D**
it s a nice chunk of cheese with a man s right hand.

G **D** **Em** **D**
Wood, cheese and children, they make you sweat so sweet
G **D** **Em** **D**
wooawooawood cheese and children, they make your life complete.

Am **Em** **G**
Now you ve got that chipmunk on the run, you can take that cheese
D
and have a little fun.

Am **Em**
Dress it as a monkey hang it in a tree.
G **D**
And the children will thank you for setting them free
Am **Em** **G**
for the children will not be free till there s a little cheese monkey
D
hung up in a tree.

Am **Em** **G**
A tree is a creature, it s made of wood, it s a leafy tree
D
and it looks quite good

Am **Em** **G**
so if you feel bad, and if you feel sad, get three little things that ll
D
make you feel glad

Am **Em** **G** **D**
God made trees, man made cheese, and a woman will make children if you just
say please.

G **D** **Em** **D**
Wood, cheese and children, they make you sweat so sweet
G **D** **Em** **D**
wooawooawood cheese and children, they make your life complete.
G **D** **Em** **D**
uhhawood, cheese and children, make your life so sweet
G **D**
wooawooawood cheese and children. Yeah, ooh, Ah, Ah. Wood Cheese and Children.
Em **G** **Em**
Ones nurishing ones fun and one makes heat...
