Verse:

G5 Cm9 Em E7sus4 C
Sheâ€™s got a face that makes you lose your place, yeah,
C7

when youâ€™re reading in your chair.

G5 Cm9 Em E7sus4 C
Sheâ€™s got a laugh the girls would kill to have, yeah,
C7

simply â€™cause itâ€™s so contagious.

Am C
In time Iâ€™ve come to realize

Chorus:

G5 Cm9 Em E7sus4
I will never find another like you.
C C7

Oh, itâ€™s true. No matter what I do.

G5 Cm9 Em
I could search the world until I turn blue,
E7sus4 C

But baby, whatâ€™s the use?

C7
There ainâ€™t no one like you.

Verse:

G5 Cm9 Em E7sus4 C
Sheâ€™s got a smile that just goes on for miles and miles
C7

like an endless summer

G5 Cm9 Em E7sus4 C
and when sheâ€™s gone, the whole world crashes down on me.
C7

Excuse me while I run for cover.

Am C
In time Iâ€™ve come to realize

Chorus:

G5 Cm9 Em E7sus4
I will never find another like you.
C C7

Oh, itâ€™s true. No matter what I do.

G5 **Cm9** **Em**
I could search the world until I turn blue,
E7sus4 **C**
But baby, whatâ€™s the use?
C7
There ainâ€™t no one like you.

Bridge:

G5 **Cm9**
All my life my heartâ€™s been stranded.
Em **E7sus4**
On my sleeve it has been branded.
C
I could search the whole world over
C7
and still walk home so empty-handed.
G5 **Cm9**
Take the world that Iâ€™ve been tossed in,
Em **E7sus4**
but leave the eyes that Iâ€™ve been lost in
C **C7**
â€™cause I believe that they have helped me see

Chorus:

G5 **Cm9** **Em** **E7sus4**
I will never find another like you.
C **C7**
Oh, itâ€™s true. No matter what I do.
G5 **Cm9** **Em**
I could search the world until I turn blue,
E7sus4 **C**
But baby, whatâ€™s the use?
C7
There ainâ€™t no one like you.
