Dumb Love
Tabbed: Justin Corona

(Chorus)
```
                    C#                      F#
Girl you make me dumb, dumb, dumb, dumb, dumb,
           C#
dumb-b-do-b-dumb
                G#
dumb, dumb, dumb, dumb,
                 C#                         F#
I love you so dumb, dumb, dumb, dumb, dumb
               C#
dumb-b-do-b-dum
 F#          C#
Wh-wh-wh-whyyy
```

(Verse 1)
```
    C#
You tell me that you re leaving
    Bbm
but then you wanna leave me
     F#                            G#
and never make your way to the door
   C#
I tell you that you re too much
     Bbm
and then I ll miss you too much
      F#                           G#
don t even know what we re fighting for
            C#
You keep my car girl
             Bbm
and then you go get it fixed
        F#
I talk to all them other chicks
         G#
just to make you jealous
```

(Pre-Chrous)
```
              C#
How can we make it right
                 Bbm
when we both put up a fit
             F#
You make me so mad
```

```
                  G#
it s kind of hard to forgive
            Bbm                 Fm          F#
but when i look into your pretty eyes
                     G#
my heart just drops

(Chorus)

(Verse 2)
        C#
You always talkin reckless
     Bbm
sendin a text message
   F#                              G#
telling me to back in your goal
           C#
and then i get up callin mendez
      Bbm
you soundin so innocent
   F#                              G#
singing that you can t sleep alone
            C#                              Bbm
I go find every receipt to show how you spend my dough
             F#                         G#
You wanna go and sell my room and burn up all my clothes

(Pre-Chorus)

(Chorus)

(Bridge)
Bbm          C#                    F#           G#
Callin it quits just ain t what we workin for
            Bbm               C#
i d rather love u then to hate you
      F#                 G#
girl, I want you to know (ohh)
   C#        Bbm         F#         G#
Your my, your my, your my shawty
   C#        Bbm         F#         G#
Your my, your my, your my shawty

(Chorus)

(Outro)

Girl you make me
   C#                              F#
dumb, dumb, dumb, dumb, dumb, (your my shawty say)
               C#
dumb-b-do-b-dum
```

```
                G#
dumb, dumb, dumb, dumb, (your my shawty say)

I love you so
   C#                            F#
dumb, dumb, dumb, dumb, dumb, (your my shawty yeah)
              C#
dumb-b-do-b-dum
  F#          C#
Wh-wh-wh-whyyy
```
