## Sean Kingston

Hey this is my first tab. It s a beautiful song and like all Sean Kingston songs

(and most hip-hop/r&b songs in general) it only needs 4 chords to play on quitar,

just repeat them throughout the song.

The chords are:

F# (bar it or just play it on the first 3 strings)

ח

Α

E

## CHORUS:

F# D A

Shawty s like a melody in my head

Е

That I can t keep out Got me singin like

F# I

Na na na na everyday

A I

It s like my iPod stuck on replay

F# :

Remember the first time we met

.

You was at the mall wit yo friend I was scared to approach ya But then you came closer Hopin you would give me a chance

Who would have ever knew
That we would ever be more than friends
We re real worldwide, breakin all the rules
She like a song played again and again

That girl, like somethin off a poster
That girl, is a dime they say
That girl, is a gun to my holster
She s runnin through my mind all day, ay

Chorus X2 and the rest of the song just keep playing those 4 chords.
