Sean Lennon

I couldn't find a chord version for this track ANYWHERE on the web!! There's files of tabs for the REST OF THE ENTIRE ALBUM, but not this track...so this is what I've come up with -- it's fairly spot on accurate for an acoustic version, at least I think so after many, many tests and play-alongs to the track. Hope it helps!

[Intro- Power Chords]

G, F, G#, (x2)

[Verse 1]

F# E
The broken glass that fades,

A C#m G Em D
The past is a parade of countless days/ Painting

Am C F
Patterns in the sand/

F# E
My motorcycle brain,

A C#m G Em D
Remains to be explained, it's like a summer rain/ Pictures

Am C F
Passing through a field,

Am C G
Blowing into the horizon/

[CHORUS]

F C G
Watching the shadows on the wall,

B C Cm G
Tell me can you see my thoughts?/

F C G
Watching the shadows on the wall,

B C Cm [G F G# G F G#]
