

**On Again Off Again**

**Sean Lennon**

(verse 1)

**G D# G**  
And just as the sun sets  
**G D# G A**  
Just as we will forget these precious moments  
**C D**  
When another day is through  
**G D# G**  
And just as the moon knows  
**G D# G A**  
It cannot always glow through every evening  
**C D**  
Some days you will find me sleeping

(chorus)

**Em Gaug G6 A7**  
Cause Iâ€™m on again and off again  
**G D# C7 D7**  
I never told you I never will  
**Em Gaug G6 A7**  
Cause Iâ€™m on again and off again  
**G D# C7 D7**  
If I canâ€™t hold you somebody will

(verse 2)

Love is like the ocean  
Forever in motion forever changing  
Never twice the same  
You may miss me one day  
You may wish you hadnâ€™t stayed  
You may forget me  
You may never let me go

(repeat chorus x2)
