

**Two Fine Lovers**  
**Sean Lennon**

**Dmaj7** **Em**  
When I first fell in love  
**F#m**  
Is when I felt your touch  
**G** **Dmaj7**  
But there s so much more I want to say  
**Em**  
We need to keep it real  
**F#m**  
Sharing what we feel  
**G**  
Together we can face tomorrow

**Bbmaj7** **Dmaj7**  
If we ever get up at seven o clock it s too soon  
**Bbmaj7** **Dmaj7**  
It s better to stay in bed till half past noon

**Em** **Dmaj7**  
Cause we re two fine lovers  
**Em** **Dmaj7**  
So much to discover  
**Em** **Dmaj7**  
Two fine lovers  
**Em** **Dmaj7**  
Living under cover  
**C** **A**  
Two fine lovers

**Dmaj7** **Em**  
When I look into your eyes  
**F#m**  
I came to realize  
**G**  
That you were so much more  
**Dmaj7**  
than my best friend  
**Dmaj7** **Em**  
I ll be there till the end  
**F#m**  
I m a one woman man  
**G** **Dmaj7**  
Cause baby you are all I ll ever need

**Bbmaj7** **Dmaj7**  
If we ever get up at seven o clock it s too soon  
**Bbmaj7** **Dmaj7**

It s better to stay in bed till half past noon

**Em Dmaj7**

Cause we re two fine lovers

**Em Dmaj7**

So much to discover

**Em Dmaj7**

Two fine lovers

**Em Dmaj7**

Living under cover

**C A**

Two fine lovers

and for the rest of the song you just slide one key down.
