

Two Fine Lovers
Sean Lennon

Dmaj7 **Em**
When I first fell in love
F#m
Is when I felt your touch
G **Dmaj7**
But there s so much more I want to say
Em
We need to keep it real
F#m
Sharing what we feel
G
Together we can face tomorrow

Bbmaj7 **Dmaj7**
If we ever get up at seven o clock it s too soon
Bbmaj7 **Dmaj7**
It s better to stay in bed till half past noon

Em **Dmaj7**
Cause we re two fine lovers
Em **Dmaj7**
So much to discover
Em **Dmaj7**
Two fine lovers
Em **Dmaj7**
Living under cover
C **A**
Two fine lovers

Dmaj7 **Em**
When I look into your eyes
F#m
I came to realize
G
That you were so much more
Dmaj7
than my best friend
Dmaj7 **Em**
I ll be there till the end
F#m
I m a one woman man
G **Dmaj7**
Cause baby you are all I ll ever need

Bbmaj7 **Dmaj7**
If we ever get up at seven o clock it s too soon
Bbmaj7 **Dmaj7**

It s better to stay in bed till half past noon

Em Dmaj7

Cause we re two fine lovers

Em Dmaj7

So much to discover

Em Dmaj7

Two fine lovers

Em Dmaj7

Living under cover

C A

Two fine lovers

and for the rest of the song you just slide one key down.
