

**Beautiful Rose**  
**Sean McConnell**

I love this song quite a bit and couldn't find any chords on here for it. These are very basic interpretations.

[Verse 1]

**A**

I remember barefoot creek

**E**

And rolled up huckleberry jeans

**D**

And posters hanging on the wall

**D**

Of heroes that would never fall

[Verse 2]

**A**

Summer nights, kick the can

**E**

Huffy bikes and Peter Pan

**D**

But baby, this ain't Neverland

**D**

No baby, this ain't Neverland

[Chorus]

**A**

Yeah, maybe life's not what I thought it'd be

**D**

**A**

It's nothing like my childhood fantasies

**D**

**F#m**

It's harder than I could've known

**E**

But higher than my hopes could've flown

**A**

**D**

And better than I ever could've dreamed

**A**

**E**

**F#m**

**D**

More villains and sad endings I suppose

**A**

**E**

**A**

But I'll take the thorns for this beautiful rose

[Verse 3]

**A**

Well, I heard you could make God laugh

**E**

By telling him the plans you have

**D**

And now I know that to be true

**D**

Cause I could never dream of you

[Verse 4]

**A**

Praise the Lord, there s something more than

**E**

What we think we re fighting for

**D**

Just think what we d be missing

**D**

If we only got what we were wishing

[Chorus]

**A**

Yeah, maybe life s not what I thought it d be

**D**

**A**

**D**

It s nothing like my childhood fantasies
