

Same Damn Thing

Sean Murphy

G

Pretty young girl with a different life

D

Someone smiles and another cries

Am

Never know what she feels inside

Am

Just trying to survive

G

Taught that this is what your supposed to do

D

Dance all night for some drunken fools

Am

Tries to make her way thru school

Am

But it s hard to do

G D Am

And now she falls away

Am

Thinking everythings fine

G D Am

Now she knows the day will come when it will be alright

G D

Small town girl with a big city life

Am

Dancing on the pole three times a night as

G D Am

She falls Away

C **G**
Life has a way of passing you by

D
You can tell by the look in her eyes

That everyday she wakes right up and does the

Am **Em**
Same Damn Thing x2
