Tabbed by: Frentina Antrea

[Intro]

B

Are you with me, Baby!

C#m

I wannna know I wanna know

A

My girl...

[Verse 1]

E

Try to tell you that I love you babygirl

B

But it s all in vain [in vain, in vain]

C#m

Try to tell you that I be there for you

A

When you call my name [my name, my name!]

E

B

If every little thing I try to do, it gon cause you pain [pain, pain]

C#m

A

Then I might as well leave you girl and don t come back again

A

Cause you kno I can t pretend

B

I tell you that I give you love straight to di end

C#m

But badmind a cut wi off, them nah want wi carispen

A

E

They dont understand it, from my heart...

[Chrous]

E

B

Babygirl you know this from de start

C#m

A

Well any which spot you walk you got me caught, you a di top

E

My PEPPERPOT

E

B

Babygirl I put you at the top

C#m

A

Well any which spot you walk you got me caught, you a di top

E

My PEPPERPOT

[Verse 2] (Same chords as Verse 1)

Girl I m givin you the best of me
And babygirl a you deserve the best indeed
Nuff a them a try fi cut my speed
And that just keeps depressing me
But nothing s gonna break my stride
And babygirl a let me tell you this you are my pride
If I don t get the chance to treat you right
Might as well den take my life

[Bridge]

E

Have you ever buck a woman and you feel so close?

B

That you can t do without her, think bout her de most

C#m

Family and friend dem nuh stop from appose

A

Its like watering a rose that never will grow

E

Time after time me a try prove my love

B

Cah the bond that me feel got to be from up above

C#m

None a them nuh waan fi see

C#m

Now dem mek me waan fi grief

A

E

They dont waan believe it, its from my heart...

[Chrous] (Same Chords)

[Bridge 2]

Yeeaaaah....

A

Girl I wanna know [I wanna know]

B

Are you with me?... baby!

A

And I wanna know [I wanna know]

B

Can you feel me?, lady!

E

Well I wanna know [I wanna know]

B

Are you with me?... baby!

A

Then dont listen none a them fools

B

Cause they don t understand

[Verse 1] (Same Chords)

Try to tell you that I love you babygirl
But it s all in vain [in vain, in vain]
Try to tell you that I be there for you
When you call my name [my name, my name!]
If every little thing I try to do, it gon cause you pain [pain, pain]
In de mud is where leave you girl and don t come back again
Cause you kno I can t pretend
And babygirl this is driving me insane
Bad mind a cut wi off, them nah want wi carispen
They dont understand it, from my heart...

[Chrous x3]
