Headed for the East coast, I know.

F F C  
Ya man, I heard, I know, it s so cold.(?)

C F F  
Living in a window, I see,

F F C  
I see some things, maybe, I dont know.

C7 E7 E F  
But if you fall, and I know you will,

E7 E F F  
you will call, and I will still, runnnnnnnnn.

C C F F  
Living in the winter, with the pine trees,

F F C  
I can match the deadlies, and go home.

C F F  
Living in a tower, in the city,

F F C  
drinking whiskey, on my own.

C7 E7 E F  
but if you fall, and I know you will,

E7 E F F  
you will call, and I will still, runnnnnnnnn.
