[Verse 1]

**C#** **F#**  
There is history in this place  
**C#** **F#**  
There are dragons to be chased  
**C#** **F#**  
And though I don t know who you are  
**C#** **F#**  
Easy flow and a strong, strong heart  
**C#** **F#**  
And a charm in the way you hide

[Chorus]

**C#** **B** **F#** **C#**  
Gently take my skull for a ride

[Verse 2]

**C#** **F#**  
And I don t know who you are  
**C#** **F#**  
But I know what I would like you to be  
**C#** **F#**  
A one night stand under stoned persuasion  
**C#** **F#**  
But a joy that I can t hide

**C#** **B** **F#** **C#**  
Gently take my skull for a ride
