intro: whistling and playing chords: **C - G - Am - F**

**C** **F**  
I still remember the knock on the door  
**Am** **C** **F**  
When you came in the middle of the night  
**C**  
The message you left  
**F**  
I m on my way  
**Am** **F**  
And I thought you were saying good bye  
**C** **F**  
I was watching your lips as you started to speak  
**Am** **C**  
But all you could hear was a fight  
**F** **Am**  
I was watching your hands as you painted this picture  
**C** **G7**  
But all you could see was a canvas of anger

**Am**  
I  
**F**  
don t  
**C** **Am** **F** **G**  
want you to leave me here  
**Am F G7** **Am** **F** **C**  
I don t want you to stay mad at me  
**G** **Am** **F** **C** **F**  
This hypocrisy is taking it s toll on me  
**G** **Am** **F** **C**  
How can you stand there and not say a word  
**G** **Am** **F**  
When I m practically down on my knees  
**C** **F**  
I was watching your feet as you stept on my heart  
**Am** **G**  
And wiped it from under your shoe  
**C** **F**

I was watching your eyes as you stared in the dark  
I would never ever ever never ever ever do this to you

I don't want you to leave me here  
I don't want you to go  
Oooohoooo ooooh oooohooo

What I wanted to say if you'd stop going crazy  
Just stop, just stop  
What I was trying if you'd stop going crazy  
Just stop, just stop

You know what I thought  
You'd be this sudden rhapsody  
Why are you drinking?

I fell in love with you, wanna be part of you  
But this part, I see, makes me right, makes me right

I don't want you to leave me here  
I don't want you to stay  
I don't want you to leave me here  
Don't leave me here  
I don't want you to go
