

A Twist In My Story Secondhand Serenade

I m not really a Secondhand Serenade fan, but I came across this song and relized who posted this song before had the chords named wrong. So I went ahead and changed them, they were really messed up.
Here they are:
Tuning: in D#
(dont forget to tune your B to a C).

Have fun.

Intro: **A - G - F**

Cm	Cm
Slow down, the world isnâ€™t	watching us break down
A2	C
Itâ€™s safe to say we are alone now,	weâ€™re alone now
Cm	Cm
Not a whisper, the only noise is the receiver	
A2	
Iâ€™m counting the seconds until you break the silence	
C	
So please just break the silence	

A
The whispers turn to shouting
G
The shouting turns to tears
Cm
Your tears turn into laughter
F
And it takes away our fears

Cm	G/B	F
So you see, this world doesnâ€™t	matter to me	
A		
Iâ€™ll give up all I had just to breathe		
C	F	

The same air as you till the day that I die

G **A - G - F**

I can't take my eyes off of you

Cm
