

## Broken

### Secondhand Serenade

Ok well this is the chorus for those of you who want some sorta of music to SOUND like song but not use the difficult chords. Yes you can PLAY this WITH the song.  
CAPO: 2ND

Chorus:

**D**

Is it broken?

**Em**

Can we work it out? **G**

**A**

Let's light up the town, scream out loud!

**D**

Is it broken?

Can we work it out? **G**

I can see in your eyes
