

Fix You

Secondhand Serenade

Hello this my first time writing a tab.....

I'll be writing you first the tab version (the intro) of the song

And the chord version (so you could jam). Overall it's pretty easy. But I think it's not perfect especially the Guitar solo part so please send me your comments

to ellistiu911@yahoo.com

```
e|-----0-----0-----0----0-----|
B|-----0-----0-----0-----0-----|
G|-----|
D|----9-----4-----6-----2-----|
A|-----|
E|-----| (just repeat till the end of the plucking)
```

Verse 1

```
G                D                C                D
When you try your best but you don't succeed
G                D                C                D
When you get what you want but not what you need
G                D                C                D
When you feel so tired but you can't sleep
G      D  C  D
Stuck in reverse
G                D                C                D
Tears come streaming down your face
G                D                C                D
When you lose something you can't replace
G                D                C                D
When you love someone but it goes to waste
      G  D  C  D
Could it be war
```

Chorus

```
G                D
Lights will guide you home
G      D
And hide your bones
G      D
I will try to fix you
```

Verse II

(G,D,C,D) or plucking

G **D** **C** **D**
 High above or down below
G **D** **C** **D**
 When you re too in love too let it go
G **D** **C** **D**
 But if you never try you ll never know
 G **D** **C** **D**
 What just you want

G **D**
 Lights will guide you home
G **D**
 And hide your bones
G **D**
 I will try to fix you

The guitar solo

(**G,D,C,D**)

G **D** **C** **D**
 Tears stream Down your face, When you lose something you can t replace
G **D** **C** **D**
 Tears stream down your face, And I Ooooo
G **D** **C** **D**
 tears stream down your face, when you lose something you cannot replace
G **D** **C** **D**
 Tears stream down your face, And I Uoooooooo
G **D** **C** **D**
 Tears stream down your face, I promise you I ll never live this day
G **D** **C** **D**
 Tears stream down your face, And I uooooohhhhhh

Chrous (make your struming slower so it could be a little bit more dramatic)

G **D** **G**
 Lights will guide you home
G **D** **G**
 And hide your bones
G **D** **G**
 I will try to fix you

Thanks for reading this tab, I would like to thank Mr. John Vesley who composed this wonderful song.
