

Like A Knife
Secondhand Serenade

Tuning: Standard, Capo on 3rd fret

Intro: **C** - **G** - **Am** - **F**

Am
I dream a lot, I know you say
F
Iâ€™ve got to get away
C
The world is not yours for the taking
G
Is all you ever say
Am
I know Iâ€™m not the best for you
F
But promise that youâ€™ll stay
C
Cause if I watch you go

Youâ€™ll see me wasting
G
Youâ€™ll see me wasting away

Chorus:

C
â€™Cause today
G
You walked out of my life
Am
â€™Cause today
F
Your words felt like a knife
Am - **F** - **C** - **G**
Iâ€™m not living this life

Am
Goodbyes are meant for lonely people
F
Standing in the rain
C
And no matter where I go
G
Itâ€™s always pouring all the same
Am
These streets are filled with memories

F

Both perfect and in pain

C

And all I wanna do is love you

G

But Iâ€™m the only one to blame

(Chorus)

G

But what do I know if youâ€™re leaving

All you did was stop the bleeding

Am

But these scars will stay forever

These scars will stay forever

G

And these words they have no meaning

If we cannot find the feeling

F

That we held on to together

Try your hardest to remember

C

Stay with me

G

Or watch me bleed

Am

F

I need you just to breathe

(Chorus)

End: **C** â€" **G** â€" **Am** â€" **F** - **C**
