(Do Cp: **C-Am-F-G**)

I was born to tell you I love you

It's that a song already

I get a B in originality

And it's true I can't go on without you

Your smile makes me see clear

If you could only see in the mirror what I see

And your slowly shaking finger tips

Show that your scared like me so

Let pretend we're alone

And I know you may be scared

And I know we're unprepared

But I don't care
