

You Are A Drug
Secondhand Serenade

Title: You Are A Drug
Artist: Secondhand Serenade
Tuning: Standard, No Capo

Intro: **G Bm** 2x

G

Today was just another day

Bm

Emotionless and stale

G

Everytime I try to reach you

Bm

I always seem to fail

G

You re living in this shell

Bm

And you don t recognize your sin

G

You ve taken not just me for granted

Bm

But the world you re living in

Em

And so you stand there

C

And you pray for God to see

Bm

But the only one you have to be

D

Honest to is me

G

D

You are a drug,

Em

I cannot quit you

C

You are a drug,

I m still lonely with you

G

Bm

You re not in love,

Em

But I still need to

C

Hold on to you

What have I gotten into?

G Bm 2x

G

Everytime I get a taste of you

Bm

It keeps me wanting more

G

Yeah, I suffocate from all the words

Bm

You said to me before

G

It seems as though you speak to me

Bm

As if it isn't sure

G

I know I fight for something

Bm

But what am I fighting for?

Em

And so I stand there

C

And I pray for God to see

Bm

I just need the strength alone

D

To do what's best for me

G D

You are a drug,

Em

I cannot quit you

C

You are a drug,

I'm still lonely with you

G Bm

You're not in love,

Em

But I still need to

C

Hold on to you

What have I gotten into

Am

And this world is fast

Em

It's passed me by

Am

But you're still here

Em

And I don't know why

C

You've lost your smile

G

But we can try

D

To bring it back to life

G

D

You are a drug,

Em

I cannot quit you

C

You are a drug,

I'm still lonely with you

G

Bm

You're not in love,

Em

But I still need to

C

Hold on to you

What have I gotten into

Repeat chorus

Outro: **G Bm**
