SECRET GARDEN - SONG FOR A STORMY NIGHT
(Capo 3. Fr.)

Intro: **Em Em**

Em **Bm**
The rain beats hard at my window
C **G**
While you, so softly do sleep
Am **Em**
And you can't hear the cold wind blow
Am **Bm**
You are sleeping so deep

Em **Bm**
Outside its dark, the moon hiding
C **G**
By starlight only I see
Am **Em**
The hosts of the night-time go riding
Am **D**
But you are safe here with me

G **Bm**
So, while the world out there is sleeping
C **G**
And everyone wrapped up so tight
Am **Em**
Oh, I am a vigil here keeping
F **D**
On this stormy night

G **Bm**
I promised I always would love you
C **Em**
If skies would be grey or be blue
Am **Em**
I whisper the prayer now above you
Am **Bm**
That there will always be you

Em **Bm**
Sometimes, we re just like the weather
C **G**
Changing by day after day
Am **Em**
As long as we ll be together

Am **Bm**
Storms will pass away

Em **Bm**
I said I would guard and protect you

C **G**
Keep you free from all harm

Am **Em**
And if life should ever reject you

Am **D**
That love would weather each storm

G **Bm**
So, while the world out there is sleeping

C **G**
And everyone wrapped up so tight

Am **Em**
Oh, I am a vigil here keeping

F **D**
On this stormy night

G **Bm**
I promised I always would love you

C **Em**
If skies would be grey or be blue

Am **Em**
I whisper the prayer now above you

Am **Bm**
That there will always be you
