Dm Bb Gm Am Dm Bb Gm Am
hush, lay down your troubled mind
Dm Bb Gm Am Dm Bb Gm Am
the day has vanished and left us behind
Dm Bb Gm Am Dm Bb Gm Am
and the wind, whispering soft lullabies
Dm Bb Gm Am Dm Bb Gm Am
will soothe, so close your weary eyes

Bb Gm Am Bb
let your arms enfold us
Bb Gm Am Am
through the dark of night
Bb Gm Am Bb
will your angels hold us
Bb Am (Dm Bb Gm Am) 4x Am
till we see the light

Dm Bb Gm Am Dm Bb Gm Am
sleep, angels will watch over you
Dm Bb Gm Am Dm Bb Gm Am
and soon beautiful dreams will come true
Dm Bb Gm Am Dm Bb Gm Am
can you feel spirits embracing your soul
Dm Bb Gm Am Dm B Gm Am
so dream while secrets of darkness unfold

Bb Gm Am Bb
let your arms enfold us

through the dark of night

will your angels hold us
