INTRO

C, B diminished, Am, G, F, Dm, Em

Am C
I must admit it s a balancing act
Em G
It looks dangerous, that s part of it
F
Remember, don t look down

C, B diminished

Am C
You and I standing in a crowded room
Em G
We were pressed together but we re holding on
F
Like we re all that was, That s all there was

C, B diminished, Am, G, F, Dm,
Em, F

C G
In a flash of light
Dm F
We were drunk, we were having a fight
C G F
I was wrong, that don t mean you were right
C G
Then you played that song
Dm F
It was a thousand seconds long
C G F
It didn t end, it seemed to play on all night
Dm G Em
Cause if I remember right I fell asleep there

Am C
Rainclouds passed and darkened more
Em G F
An evening touched by waiting for the sky burst

Am **C**
Storms had gathered in crushing lines
Em **G** **F**
I surrendered to a way that I remembered you
That s all there was

C, B diminished, Am, G, F, Dm,
Em, F

C **G**
If I were forced to choose
Dm **F**
What I have, I have to lose
C **G** **F**
I need love, that don t mean I need you
C **G**
It started with that song
Dm **F**
It was a thousand seconds long
C **G** **F**
It didn t end cause we never got through

C **G**
And did you think that I had planned it all along,
Em **F**
Hoping not to be alone?
C **G** **F**
Well I was there on the edge of the rush

C **G**
And did you leave because you thought that I would stay,
Em **F**
Stricken with a holy fright?
C **G** **F**
And it was clear as the night in the cold
Dm **G** **Em**
And I won t ever know what you re afraid of

SOLO CHORDS

Am, C, Em, G, F, Dm, G,
F

C **B diminished**
And when the world ends
Am **G** **F**
A thousand seconds too
C **B diminished**
We ll watch the time pass

Am **G** **F**
Run through the high end too

C **B diminished**
And then we ll wait there

Am **G** **F**
A thousand seconds too

C **B diminished**
That s when it all ends

Am **G** **F**
A thousand seconds too
