G **A#**
Well she said she did not care
G **A#**
About the clothes I did not ware
G **A#**
Yes she said she did not mind
D
Oh I thought she was so kind
G **A#**
Til one day she turned to say
G **A#**
That it gets harder day by day
G **A#**
I thought our love was a butterfly
D
But I guess he flew away
G **A#**
And in Paris I did see what I always knew to be
G **A#**

She was kissing Valentine

D

And the clothes he wore were mine

In the secret police I can do whatever I want to do

Second Verse

Got no legs got no eyes

Very few bridges for many ties

To the mainstream we love so well

But must now conquer

I got my man on the ground

Got no vision but plenty sound

You got the guns we got belief

We will find the victim in you

Second Chorus

Ba ba bow But Im cuming out of my shell for you

In the secret police I can do whatever I want to do
