

**The Way You Are
Secret Service**

Intro: **F Bb C Bb**

Bb
You take me high, out of the blue You re by my side, whenever i
need you

Bb
The way you smile, the way you move Why should i try, i can t get
over you

(**F Bb C Bb**)

All through the night, you take me on When we unite, i know where i
belong

Bb
When winter rains, i ll be your friend What we create, may last
until the end

And through the time, that s passing by I hope you ll always be, you ll be
forever

The way you are, the way you are

Where mountains rise, i ll stand by you My heart assigned, like only
lovers do

If we re apart, i ll cross the sea Don t close your heart, this love was
always free

Solo: **Dm C Bb C Am**

And through the time, that s passing by I hope you ll always be, you ll be
forever

The way you are, the way you are

Solo: **F Bb C Bb**
