

Happy Secrets In Stereo

Just something I tried because I love this song and couldn't find the chords anywhere.

I've been singing it on Capo 2, but only because I can't sing low enough without. Enjoy!

Intro:

G D Em C x2

G D Em C
I wanna be next to you and watch you while you sleep
G D Em C
Holding you lost inside every breath you breathe

Chorus:

G
I don't wanna live a day without you
D Em C
I just wanna be the one that makes you happy, happy
G
I don't wanna live a day without you
D Em C
I just wanna be the one that makes you happy, happy

G D Em C
One minute more a thousand years it's all the same to me
G D Em C
Cause I'm incomplete and I need you more with every breath I breathe

Chorus:

G
I don't wanna live a day without you
D Em C
I just wanna be the one that makes you happy, happy
G
I don't wanna live a day without you

I just wanna be the one that makes you happy, happy

I try to let you know but my words get tangled up
Em C
and every time I find that I'm outside looking in
G D
Can't let this moment go when you're the only one

Em **C**
That makes me feel the way I feel inside
