

Happy Secrets In Stereo

Just something I tried because I love this song and couldn't find the chords anywhere.

I've been singing it on Capo 2, but only because I can't sing low enough without. Enjoy!

Intro:

A E F#m D x2

A **E** **F#m** **D**
I wanna be next to you and watch you while you sleep
A **E** **F#m** **D**
Holding you lost inside every breath you breathe

Chorus:

A
I don't wanna live a day without you
E **F#m** **D**
I just wanna be the one that makes you happy, happy
A
I don't wanna live a day without you
E **F#m** **D**
I just wanna be the one that makes you happy, happy

A **E** **F#m** **D**
One minute more a thousand years it's all the same to me
A **E** **F#m** **D**
Cause I'm incomplete and I need you more with every breath I breathe

Chorus:

A
I don't wanna live a day without you
E **F#m** **D**
I just wanna be the one that makes you happy, happy
A
I don't wanna live a day without you
E **F#m** **D**
I just wanna be the one that makes you happy, happy

Bridge:

A **E**
I try to let you know but my words get tangled up
F#m **D**
and every time I find that I'm outside looking in
A **E**
Can't let this moment go when you're the only one

F#m **D**
That makes me feel the way I feel inside

A **E** **F#m** **D**
Lately I m falling for you

A **E** **F#m** **D**
Lately I m falling for you

Chorus:

A
I don t wanna live a day without you
E **F#m** **D**
I just wanna be the one that makes you happy, happy

A
I don t wanna live a day without you
E **F#m** **D**
I just wanna be the one that makes you happy, happy
