E7 (until the end of this part)
Without you I surly lose my weight
You come and get me out when Iâ€™m dizzy in the haze
Iâ€™m having no doubts - so proud, I shout it all around it s you babe
You turn my wall around, you quiet underestimate the height of my flight
I might be drifting out of sight so hold on to me
Slap me pinch me, tell me itâ€™s not a dream now
Soak me trench me in honey and cream

Gm7 **Cm**
Waking up is beautiful - when I am with you
Bb **Cm7**
And I wander yes I wander - wisely that you choose
Gm7 **Cm**
Everything is beautiful - heaven for a fool
Bb **Cm7**
And I wander girl I wander - wisely that you choose
