

Beautiful
Seed

F# **G#m**
Me on clouds a light line breeze
B **F#**
Rose wine - honey we ve come clean
Ebm **G#m**
Somehow we found our song
B **F#**
You play the black, I play the white keys
F# **G#m**
The night falls to hush the voice
B **F#**
Purple flowers shadows and turquoise
Ebm **G#m**
My satellite circles your sun
B **F#**
Finding answers in the right noise

G#m7 **C#m**
Waking up is beautiful - when I am with you
B **C#m7**
And I wander yes I wander - wisely that you choose
G#m7 **C#m**
Everything is beautiful - heaven for a fool
B **C#m7**
And I wander girl I wander - wisely that you choose

F# (4x)

F# **G#m**
I never thought, I d be like this
B **F#**
In the palm of your hand - happily speechless
Ebm **G#m**
You wear my shirt and just a devil smile
B **F#**
Bringing Mars closer to Venus
F# **G#m**
Late that night, I watch you sleep
B **F#**
You saved my life, when no one believed
Ebm **G#m**
You gave up Diamonds for a Rolling Stone
B **F#**
Now I know what it means to be home.

G#m7 **C#m**
Waking up is beautiful - when I am with you
B **C#m7**
And I wander yes I wander - wisely that you choose
G#m7 **C#m**
Everything is beautiful - heaven for a fool
B **C#m7**
And I wander girl I wander - wisely that you choose

E7 (until the end of this part)
Without you I surly lose my weight
You come and get me out when Iâ€™m dizzy in the haze
Iâ€™m having no doubts - so proud, I shout it all around it s you babe
You turn my wall around, you quiet underestimate the height of my flight
I might be drifting out of sight so hold on to me
Slap me pinch me, tell me itâ€™s not a dream now
Soak me trench me in honey and cream

G#m7 **C#m**
Waking up is beautiful - when I am with you
B **C#m7**
And I wander yes I wander - wisely that you choose
G#m7 **C#m**
Everything is beautiful - heaven for a fool
B **C#m7**
And I wander girl I wander - wisely that you choose
