I hear you breathing and my heart pounds fast
run up the rocky road swim across the see (we ll overcome)
I swear we ll lose them for they re far too weak

a D minor

why do settle for less? Our love deserves it all
this city is a mess, I know it s about to fall

under black skies we move into a new dawn (we ll overcome)
the past behind us as we keep moving on

Days can be bitter
still you make them taste sweet
and if ever we ?shift? weâ€™ll create the heat

seeds we plant will bloom
through midnight to noon
and let the morning light take the night and carry us soon
my nights are daydreams golden and green
take a breath and sing: long live my queen
