

**Even Though Im A Woman  
Seeker Lover Keeper**

Seeker Lover Keeper  
Even Though I m a Woman

Verse:

**Dm, Bb, F, C**

Woah I  
I got a secret  
I think Iâ€™m in love with missing you  
More than Iâ€™m in love with you  
Thatâ€™s why I go away all the time  
Thatâ€™s why I travel the world and roam free  
Thereâ€™s a time you leaving me  
This is how I feel  
I feel like a traveling salesman

Chorus:

**F, C, Dm, Bb**

Even though Iâ€™m a woman  
Picking up my bags from the station  
Standing there face to face  
Iâ€™ll be lying if I did not say  
I love you more and Iâ€™m missing you  
Thatâ€™s why Iâ€™m always away  
Believe me itâ€™s true

Verse:

**Dm, Bb, F, C**

Woah I  
I got a secret  
I think I was born to be in a state of longing  
Born to be wanting wanting  
I put in a letter for you  
I love the danger in distance  
This time Iâ€™m leaving you  
This is how I feel  
I feel like a traveling salesman

Chorus:

**F, C, Dm, Bb**

Even though Iâ€™m a woman  
Picking up my bags from the station  
Standing there face to face  
Iâ€™ll be lying if I did not say

I love you more and Iâ€™m missing you  
Itâ€™s why Iâ€™m always away  
Believe me itâ€™s true  
Believe me itâ€™s true  
Believe me itâ€™s true

Bridge:

Even though Iâ€™m a woman  
Picking up my bags from the station
