D9 **F** **C** **G**
Walk away from the sun, come slowly undone
D9 **F** **C** **G**
I can see in your eyes I ve already won
D9 **F** **C** **G**
I could bleed for a smile, I could cry for some fun
D9 **F** **C** **G**
Walk away from the sun, and tell everyone

{riff} **F5** **G5** **F5** **D5**
There s so much left in the air
{riff} **F5** **G5** **F5** **D5**
So much to tell from a stare
{riff} **F5** **G5** **F5** **D5**
There s so much left to defend
{riff} **F5** **G5** **F5** **D5**
But I m no fun

D9 **F** **C** **G**
So turn away from the ones who hurt everyone
D9 **F** **C** **G**
I can tell by your smile you re coming undone
D9 **F** **C** **G**
I could bleed for a smile; could die for a gun
D9 **F** **C** **G**
Walk away from the sun and kill everyone

{riff} **F5** **G5** **F5** **D5**
So tiny dancer beware
{riff} **F5** **G5** **F5** **D5**
We re medicated and scared
{riff} **F5** **G5** **F5** **D5**
This smile is so hard to wear
{riff} **F5** **G5** **F5** **D5**
But I ve no gun

D9 **F** **C** **G**
So turn away from the ones who hurt everyone
D9 **F** **C** **G**
I can tell by your smile you re coming undone
D9 **F** **C** **G**

I could bleed for a smile; could die for a gun
