

Blue
Sela Bruce

[Verse 1]

Gm **Bb**
Your heart is a bedroom with silk sheets and blue threads
Dm **C**
And I m scared I ll wake up all alone
Gm **Bb**
No matter how far we run, there s no air left in our lungs
Dm **C**
And your mind is turning into stone
Gm **Bb**
I feel the water rising, your hand on my body
Dm **C**
The fear of being stuck in love
Gm
The days are getting longer
Bb
The nights are getting harder
Dm **C**
I hope I m close to giving up

[Chorus]

Gm **Bb**
I wanna give up on you and me
Dm
On lust and love
C
On faded dreams
Gm
On wasted trust
Bb
Feeling empty
Dm **C**
Feeling used by someone who loves me
Gm Bb
I wanna give up
Dm C
Let me give up

[Verse 2]

Gm **Bb**
I wish that you wouldn t say, that life is better this way
Dm **C**
And the love just falls apart on its own
Gm **Bb**
You know that I d put you first, give you what you don t deserve

Dm **C**
You wore my heart too far away from home
Gm
I used to be your happy place
Bb
But you drove us both insane
Dm **C**
And now our minds are somewhere in between
Gm
The days they last forever
Bb
The nights keep us together
Dm **C**
Why can't my heart let me be?

[Chorus]

Gm **Bb**
I wanna give up on you and me
Dm
On lust and love
C
On faded dreams
Gm
On wasted trust
Bb
Feeling empty
Dm **C**
Feeling used by someone who loves me
Gm Bb
I wanna give up
Dm C
Let me give up

[Bridge]

Gm **Bb** **Dm** **C**
Gm
If love is the answer, then why do I, why do we still ask so many questions,
baby
