

Bless The Broken Road
Selah

VERSE1

G C D Em C D G
I set out on a narrow way many years ago
G C D Em C D G
Hoping I would find true love along the broken road
C D
But I got lost a time or two
G Em
Wiped my brow and kept pushing through
G C D Em C D G
I couldn't see how every sign pointed straight to you

CHORUS

G C G D Em
Every long lost dream lead me to where you are
G C G D Em
Others who broke my heart they were like northern stars
G C G D Em
Pointing me on my way into your loving arms
C D
This much I know (I know) is true
C D Em
That God blessed the broken road
C D G
That led me straight to you

VERSE2

G C D Em C D G
I think about the years I spent just passing through
G C D Em C D G
I'd like to have the time I lost and give it back to you

But you just smile and take my hand

You've been there you understand
G C D G C D Em
It's all part of a grander plan that is coming true

CHORUS

Every long lost dream lead me to where you are
