

Anxiety (feat. Julia Michaels)
Selena Gómez

C Am
My friends, they wanna take me to the movies
Dm G
I tell em to fuck off, I m holding hands with my depression
C Am
And right when I think I ve overcome it
Dm G
Anxiety starts kicking in to teach that shit a lesson
C Am
Oh, I try my best just to be social
Dm G
I make all these plans with friends and hope they call and cancel
C Am
Then I overthink about the things I m missing
Dm G
Now I m wishing I was with em

C Am
Feel like I m always apologizing for feeling
Dm G
Like I m out of my mind when I m doing just fine
C Am
And my exes all say that I m hard to deal with
Dm G
And I admit it, yeah

C Am Dm G
But all my friends, they don t know what it s like, what it s like
C Am Dm G
They don t understand why I can t sleep through the night
C Am Dm G
I ve been told that I could take something to fix it
C Am Dm G
Damn, I wish it, I wish it was that simple, ah
C Am Dm G
All my friends they don t know what it s like, what it s like

C Am
Always wanted to be one of those people in the room
Dm G
That says something and everyone puts their hand up
C
Like: If you re sad put your hand up
Am
If you hate someone, put your hand up
Dm G
If you re scared, put your hand up

C **Am**
Feel like I m always apologizing for feeling

Dm **G**
Like I m out of my mind when I m doing just fine

C **Am**
And my exes all say that I m hard to deal with

Dm **G**

C **Am** **Dm** **G**
All my friends they don t know what it s like, what it s like

C **Am**
I got all these thoughts running through my mind

Dm **G**
All the damn time and I can t seem to shut it off

C **Am**
I think I m doing fine most of the time

Dm **G**
I think that I m alright, but I can t seem to shut it off

C **Am**
I got all these thoughts running through my mind

Dm **G**
All the damn time and I can t seem to shut it off

C **Am**
I think I m doing fine most of the time

Dm **G**
I say that I m alright, but I can t seem to shut it off

C **Am** **Dm** **G**
Shut it, shut it, yeah

C **Am** **Dm** **G**
But all my friends, they don t know what it s like, what it s like

C **Am** **Dm** **G**
They don t understand why I can t sleep through the night

C **Am** **Dm** **G**
I ve been told that I could take something to fix it

C **Am** **Dm** **G**
Damn, I wish it, I wish it was that simple, ah

C **Am** **Dm** **G**
All my friends they don t know what it s like, what it s like

C **Am**
